Re: Comments regarding the tentative Order ("Famoso Hills Ranch Water Project") for E&B Natural Resources Management Corporation and Sherwood Hills, LLC.

Dear Mr. Mahoney:

I am writing to express my support for the project proposed by E&B Natural Resources Management Corporation (E&B) and Sherwood Hills, LLC (Sherwood).

The Famoso Hills Ranch Water Project represents an innovative solution for growing our much-needed food supply in California while preserving our precious groundwater supply.

This additional clean and reliable irrigation water supply benefits local agriculture and enhances our ability to provide food for people far beyond our borders. In addition to the environmental benefits, the applicants' project will have positive impacts on the economic well-being of the people in the Bakersfield, Kern County and surrounding communities in both jobs and tax revenues.

Thank you for considering my comments.

Sincerely,

Chris Parlier

Councilmember Ward 7
